History

No one knows exactly when Bosjökloster was founded, but most of those who have investigated its history assume that it was about 1080 A. D. It was the Benedictine Order that built this nunnery on the shore of Lake Ringsjön. The oldest document in which Bosjökloster is mentioned is a bull from Pope Lucius in 1181, in which he confirms the convent's privileges.

The first private owner of Bosjökloster was Mrs. Thale Ulfstand, who acquired it by a barter transaction. The Bosjökloster has been owned by different affluent people over the years but in 1908 the castle was purchased by Count Philip Bonde, whose family to this day still owns Bosjökloster.

Famous Love Quotes

True love is when you fall in love over and over again with the same person.

Anonymous

You will know the real meaning of love when you fall in love.

To love someone deeply gives you strength. Being loved by someone deeply gives you courage.

- Lao Tzu

I have been astonished that men could die martyrs for their religion -

I have shudder'd at it.

I shudder no more.

I could be martyr'd for my religion

Love is my religion

And I could die for that.

I could die for you.

~ John Keats~

If you have Love, you don't need to have anything else, and if you don't have it, it doesn't matter much what else you have.

Sir James M. Barrie

Love knows no boundaries, no fear and no limits.

~Anonymous~

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.

LOVE

~ By Roy Croft ~

*I love you,
Not only for what you are,
But for what I am
When I am with you.*

*I love you,
Not only for what
You have made of yourself,
But for what
You are making of me.*

*You have done it
Without a touch,
Without a word,
Without a sign.
You have done it
By being yourself.*
